

## What is the British Society for the History of Radiology?

This is an independent body( formerly the Radiology History and Heritage Charitable Trust)

It was formed in 1992 by individuals and professional bodies interested in preserving the history of Radiology

Supporting professional bodies are-

- The British Institute of Radiology(BIR)
- The Royal College of Radiologists(RCR )
- The Society/College of Radiographers(SCoR)
- The Institute of Physics and Engineering in Medicine(IPEM)
- The Wellcome Institute
- The British Society of Dental & Maxillo-Facial Radiology(BSDMFR)
- Scottish Radiological Society(SRS)

### AIMS

To initiate and sustain activities directed towards locating, conserving and recording artefacts literature and other items relating to the discovery of Xrays and other imaging methods and the development of medical, and dental radiology and radiation oncology in the United Kingdom.

To foster public awareness of the far reaching consequences of the discovery of X-rays and other imaging methods and their application for medicine and mankind.
